INDEX, 1958

	Issue	Page
Aerial scouting, training	July	101
Air detection, sound locator missile	Jan.	8
Air operations		
organization	Apr.	35
smokejumping	Apr.	68
Air tanker		
project—Region 6, 1957	Apr.	57
report—California, 1957	Apr.	53
Boise National Forest, 1957	July	120
float-equipped	Apr.	47
testing three	Apr.	63
Air traffic, helicopter ground operations	Apr.	74
Aircraft		
control	Apr.	35
discovering fires, Region 6	Jan.	25
in Missouri	July	117
smokejumper and paracargo signal system	Apr.	72
support in North Carolina	Apr.	40
Airplane helps catch incendiarist	Apr.	46
Airplanes		
direct attack in Northeast	Apr.	45
float-equipped, water dropping		
Ontario	Apr.	47
Superior National Forest	July	123
sodium calcium borate, Region 1, 1957	Apr.	66
training in scouting	July	101
Alberta Department of Lands and Forests		
A fiberglass cupola for lookout towers	July	108
Arcadia Equipment Development Center, U. S. Forest Service		
Fire accessories for the light helicopter	Apr.	82
Testing three new air tankers	Apr.	63
Atkinson, John H.		
Radio procedure—your key to effective operations	July	97
Back-pack pump nozzle guard	July	126
Baldwin, Joy		
The helicopter flies high	Apr.	79
Banks, Wayne G.		
Airplanes for direct attack on forest fires in the Northeast	Apr.	45
Beeman, Robert M.		
1957 aerial-tanker project for Region 6	Apr.	57
Blowup conditions, safe practices, training outline	Jan.	3
Boise air tankers, 1957	July	120
Bomb shackle adapter assembly, helicopter	Apr.	82
Borate, sodium calcium, Region 1, 1957	Apr.	66
Brooklyn Public Library, fire hazard data	Jan.	21
California		
air tanker report, 1957	Apr.	53
helitack crews, 1957	Apr.	94
Capps, Osal B.		
Aircraft use in Missouri	July	117
Cargo, air dropping, signal system with smokejumpers	Apr.	72
Cargo release, helicopter accessory	Apr.	85
Cochran, A. R.		
How eastern region fire training committee functions	Oct.	139

	Issue	Page
Colver, Charles G.		
Outdoor fire statistic sign	Jan.	18
Communication, radio procedure	July	97
Crew boss, safe practices under blowup conditions	Jan.	3
Cupola, fiberglass, lookout tower	July	108
DeGraaf, E. C.		
House trailers for detection of forest fires	Jan.	19
Detection		
aircraft, Region 6	Jan.	25
house trailers	Jan.	19
sound locator missile	Jan.	8
Dozer, slash disposal, northern Rocky Mountains	Oct.	144
Duty board, Michigan	July	111
Eastern region fire training committee	Oct.	139
Electric sling cargo release, helicopter	Apr.	85
Ellson, Arvid C., and Shroy, Albert B.		
Siuslaw field hose washer	Jan.	27
Emerson, W. J., and McDonald, L. J.		
Water dropping from seaplanes on the Superior National Forest	July	123
Equipment development and fire research	Oct.	127
Everts, A. B.		
Building fireline with a self-propelled trail grader	Jan.	13
Mopup kits for Region 6	Jan.	23
Tractor headlights	Oct.	133
Fan psychrometer	Oct.	136
Fiberglass, lookout tower cupola	July	108
Films, training, enclosure card	July	103
Fink, A. R.		
Lightning-strike recorder rings for lookout firefinder maps	Oct.	138
Fireline, by self-propelled trail grader	Jan.	13
Glass, glare-reducing, for lookouts	Jan.	17
Grader, trail, for line building	Jan.	13
Greene, Geoffrey E.		
Nozzle guard for jack pumps	July	126
Haack, Paul M., Jr.		
Inexpensive scanning stereoscope	Oct.	137
Harris, H. K.		
Fighting fires with airplanes and sodium calcium borate in western Montana and northern Idaho—1957	Apr.	66
Hazard data, at Brooklyn Library	Jan.	21
Headlights, tractor	Oct.	133
Heat, clothing protects against	July	102
Helicopter		
accessories	Apr.	82
crew training	Apr.	91
ground operations	Apr.	74
hose lay	Apr.	88
use, California, 1957	Apr.	94
use, Region 3, 1957	Apr.	79
Helitack crews		
California, 1957	Apr.	94
training	Apr.	91
Helitank, helicopter accessory	Apr.	83
Hose		
hook, water drafting	July	116
lay, helicopter use	Apr.	88
dispensing tray, helicopter	Apr.	84
washer, Siuslaw	Jan.	27
House trailers for detection	Jan.	19
Hunter fires, combating	July	106
Incendiarist, airplane helps catch	Apr.	46
Juarez, Raymond E.		
Improved ejector drafting	July	116

	Issue	Page
Kern, Jack C.		
Make it positive—Some opportunities in fire control training	Jan.	1
Kernik, John L.		
The Ozark Swatmaster—a swatting tool for grass fires	July	107
Kits, mopup, Region 6	Jan.	23
Klamath, slash disposal by burning	Oct.	141
Lafferty, George E.		
The air tanker as an intial attack tool	July	120
Leave board, Michigan	July	111
Library, Brooklyn, fire hazard data	Jan.	21
Lightning-strike recorder rings, lookout maps	Oct.	138
Literature, fire hazard data, at Brooklyn Library	Jan.	21
Lookout maps, lightning-strike recorder rings	Oct.	138
Lookouts, glare-reducing glass	Jan.	17
Loomis, Robert M., and Stephens, Virgil		
Fan psychrometer	Oct.	136
Lowden, Merle S.		
Equipment development and fire research	Oct.	127
Maine sound locator missile	Jan.	8
Maps, lookout, lightning-strike recorder rings	Oct.	138
Marnich, John J.		
Personnel scheduled pass and leave chart board	July	111
McDonald, L. J., and Emerson, W. J.		
Water dropping from seaplanes on the Superior National Forest	July	123
Miller, Harry R., and Reinecker, H. P.		
Air tanker report—California, 1957	Apr.	53
Missile, sound locator	Jan.	8
Missouri, use of aircraft	July	117
Mopup kits, Region 6	Jan.	23
Morford, Lee		
Slash disposal by burning on the Klamath	Oct.	141
Morris, William G.		
Records and experience of discovering fires from aircraft	Jan.	25
Murphy, James L.		
Ground operations for helicopters	Apr.	74
Helitack crews pay off in California	Apr.	94
Training the helitack crew	Apr.	91
Neuns, Alva G.		
A four-purpose enclosure card for training films	July	103
North Carolina, aircraft support	Apr.	40
Northeast, airplanes for direct attack	Apr.	45
Nozzle guard for jack pumps	July	126
Ontario Department of Lands and Forests		
Water dropping from float-equipped planes	Apr.	47
Organization, fire suppression, training	July	114
Ozark swatmaster, for grass fires	July	107
Parsons, Judson		
Fire trailer for a tree farm	Jan.	22
Pirsko, Arthur R.		
Red, white, or blue—wear an extra shirt on the fireline	July	102
Post, Don M.		
War surplus crash truck converted to forest fire use	July	110
Power saw trencher attachment	Oct.	130
Prevention, campaign against hunter fires	July	106
Psychrometer, fan	Oct.	136
Pump		
jack, nozzle guard	July	126
motors, turning during storage	July	105
Pumper		
helicopter accessory	Apr.	86
war surplus crash truck	July	110

	Issue	Page
Radio		
code, used by California	July	100
procedure, effective operations	July	97
Reinecker, H. P., and Miller, Harry R.		
Air tanker report—California, 1957	Apr.	53
Research, fire, and equipment development	Oct.	127
Safety, practices under blowup conditions,		
training outline	Jan.	3
Saw, power, trencher attachment	Oct.	130
Scanning stereoscope, inexpensive	Oct.	137
Scooters, trail travel	Jan.	28
Seaplanes, water dropping, Superior National Forest	July	123
Shawnee National Forest		
Airplane helps catch incendiarist	Apr.	46
Shields, Herb; Wilson, Carl C.; Waklee, Floyd W.		
The helicopter joins the hose-lay team	Apr.	88
Shirt, extra, on fireline	July	102
Shroy, Albert B., and Ellson, Arvid C.		
Siuslaw field hose washer	Jan.	27
Sign, fire statistic	Jan.	18
Signal system, smokejumper and paracargo aircraft	Apr.	72
Siuslaw field hose washer	Jan.	27
Slash disposal		
by burning, Klamath	Oct.	141
by dozer, northern Rocky Mountains	Oct.	144
Smokejumping		
planning	Apr.	68
signal system with paracargo	Apr.	72
Sodium calcium borate, Region 1, 1957	Apr.	66
Sound locator missile	Jan.	8
Steele, Robert W., and West, Raymond M.		
Fireline trencher attachment for power saws	Oct.	130
Stephens, Virgil, and Loomis, Robert M.		
Fan psychrometer	Oct.	136
Stereoscope, scanning, inexpensive	Oct.	137
Stewart, L. M.		
Planning for smokejumping	Apr.	68
Superior National Forest, water dropping	July	123
Suppression, training in principles of organization	July	114
Swatmaster, for grass fires, Ozarks	July	107
Tank, helicopter accessory	Apr.	83
Tilt-bed tractor transport	July	112
Tower, fiberglass cupola	July	108
Tractor headlight outfit	Oct.	133
Tractor transport, tilt-bed	July	112
Trail grader, self-propelled	Jan.	13
Trail travel, scooters	Jan.	28
Trailer, tree farm	Jan.	22
Trailers, house, for detection	Jan.	19
Training		
aerial scouting	July	101
eastern region fire training committee	Oct.	139
film enclosure card	July	103
helitack crew	Apr.	91
opportunities	Jan.	1
outline—safe practices under blowup conditions	Jan.	3
principles of organization	July	114
Transportation, scooters	Jan.	28
Tree farm, fire trailer	Jan.	22
Trencher attachment for power saws	Oct.	130
Truck		
crash, for fire use	July	110
tilt-bed transport	July	112

	Issue	Page
United States Forest Service		
Region 1 (Northern), Equipment Development Section		
Scooters for trail travel	Jan.	28
Region 1, airplanes and borate, 1957	Apr.	66
Region 3 (Southwestern), helicopter use, 1957	Apr.	79
Region 6 (Pacific Northwest), air tanker project, 1957	Apr.	57
Region 7 (Eastern)		
A training course in principles of organization for fire suppression	July	114
Region 7, Division of Fire Control		
Glare-reducing glass for lookout structures	Jan.	17
Region 7, fire training committee	Oct.	139
Vogel, Willard J.		
Tilt-bed tractor transport	July	112
Waklee, Floyd W.; Shields, Herb; Wilson, Carl C.		
The helicopter joins the hose-lay team	Apr.	88
Walker, Roy O.		
Turning pump motors over during storage	July	105
Washer, hose, Siuslaw	Jan.	27
Water, application, mopup kits	Jan.	23
Water drafting, hose hook	July	116
Water dropping		
Boise National Forest, 1957	July	120
California, 1957	Apr.	53
float-equipped planes, Ontario	Apr.	47
float-equipped planes, Superior National Forest	July	123
Region 1, 1957	Apr.	66
Region 6, 1957	Apr.	57
testing three tankers	Apr.	63
West, Raymond M., and Steele, Robert W.		
Fireline trencher attachment for power saws	Oct.	130
Wilkins, Austin H.		
Forest fire sound locator missile	Jan.	8
Wilson, Carl C.		
Control of aircraft on forest fires	Apr.	35
Wilson, Carl C.; Waklee, Floyd W.; Shields, Herb.		
The helicopter joins the hose-lay team	Apr.	88
Winkworth, Ralph C.		
A campaign against hunter fires	July	106
Aircraft support of fire control in North Carolina	Apr.	40
A training course in aerial scouting	July	101
Wood, William C.		
Signal system for smokejumper and paracargo aircraft	Apr.	72
